

Locations

Get to know Fun Valley Maastricht! Our park has several facilities to offer, each with its own look and feel.

Each location can be rented exclusively but we don't have a fixed rental price, we tailor it especially for you! The rental price depends on the duration, the number of people and other details of the booking.

Attention!

Parties and festivals with music can be organised at our park. However, there are certain conditions.

We cannot deviate from the end time as described at the respective location. As is the maximum noise production (80 dB). These requirements have been drawn up for the benefit of the neighbouring Natura 2000 area.

In- and outdoor playground

Our playground is called **Ballorig** and is an indoor play paradise with a variety of play equipment to encourage children's development. Among other things, you will find:

- Large Softplay structure
- Toddler corner especially for children up to 4 years
- Large wavy slide
- Block box with large Lego blocks
- Fenced football or basketball field
- Motorbike track

The outdoor playground also has equipment that can be used by all children, such as:

- Air trampoline
- Climbing volcano
- Sunken pirate ship
- Sona arch, an interactive sound toy

The playground is for children up to 12 years old.

Tip!

Renting the entire Fun Valley site or Ballorig's entire playground is possible, but would mean that we would have to deny our day guests full access, which is of course quite a challenge.

Anything is possible, but keep in mind that this will also be reflected in the price.
